Camden BARN SALE—2016

Policies and Procedures

P.O. Box 99 • Camden, AR 71711

The Camden Barn Sale is an annual arts and crafts event, and this is our 48th year of operation. It is held on the last Saturday in September. In 2016, the date for the Sale is September 24th. Sale hours are from 9:00 a.m. to 4:30 p.m. The Barn Sale is a juried show that provides between 150 and 160 booths. Booth spaces will be assigned from the applications received on or before **May 31, 2016** to be considered in the initial screening. Applications are reviewed as they are received after the initial screening.

Exhibits are to consist of paintings, drawings, handicrafts, or other original works. Commercial materials are not permitted; however, the committee reserves the right to accept items it deems acceptable for the show. **Show sponsors and/or their representatives will check the exhibits during the day,** and exhibitors showing commercial materials will be required to remove them from their displays unless the items are approved by the committee as acceptable items before the show. No raffles by exhibitors are allowed.

Please be sure to enclose **two current photographs** representative of the work to be sold and a check or money order with the completed application form. **Applications returned without photographs may not be considered. This applies equally to crafters who have exhibited at the Barn Sale before.**

A committee will review each application following the May 31, 2016, deadline. Those applicants that are approved will receive an acceptance letter. Their checks will then be deposited and their photographs retained until Sale day. Those applicants that are not approved will receive notification and their check and photographs will be returned.

Each booth measures *approximately* 12' x 12' and may be reserved for \$65 for a regular booth and \$80 for a booth with electricity. A maximum of two booths may be reserved, but a combination of one electrical booth and one regular booth is not allowed. Exhibitors are responsible for equipping their own booth. The Barn Sale is an outdoor event, and no alternate date or site is planned. Exhibitors should, therefore, come prepared for the weather.

Set-up is allowed on Friday, September 23rd; however, the event sponsor cannot provide security for the area. It is recommended that exhibitors use their own discretion about leaving crafts in the booth overnight. Exhibitors may not spend the night in the Sale area. On Saturday, exhibitors may begin setting up at 6:00 a.m. No more than two vehicles per booth will be allowed in the Sale area. Please keep in mind that all vehicles must be out of the Sale area by 8:30 a.m. and may not reenter until after 4:30 p.m. Pets are prohibited in the exhibit area during Sale hours. All exhibits must remain on display during the Sale hours of 9:00 a.m. and 4:30 p.m.
